# WELCOME

Family,

Welcome to Tampa and to our Fourth Annual International Conference. It has been an honor to serve as your Conference Marshall for the past three years, and I am truly excited for the unforgettable weekend ahead. We've built a record-setting experience—one filled with fellowship, growth, celebration, and the unmatched energy that only The Good Time Gang brings.

This year's conference features a great golf outing, the Luau-themed Meet & Greet, powerful keynote sessions with leaders from the cigar industry, our signature Hookday, Saturday's breakout meetings, and of course, our Harlem Nights Awards Banquet and Gala. Every moment has been shaped with intention, purpose, and excellence.

I want to extend my deepest gratitude to our International Leadership Team and the Tampa Chapter for their tireless work, dedication, and professionalism. None of this would be possible without your commitment and pride in representing GTG at the highest level.

Most importantly, thank you to every member, guest, and supporter. Having you here means everything, and I hope that over these past three years, Tampa has felt like a second home—one filled with great memories, laughter, smoke, and legacy.

Enjoy the weekend. Celebrate one another. And may this year's conference be the best one yet.
